Introduction The New Jersey Fireman's Mutual Benevolent Association, comprised of more than 5000 professional firefighters in New Jersey will host their first national fund-raiser in Myrtle Beach, South Carolina. The event, The Firefighters Land and Sea Holiday (FLASH), is scheduled for Wednesday, November 12th through Sunday, November 16th. This year, we honor and will raise contributions for the families of "The Charleston Nine", the nine firefighters who lost their lives in the line of duty fighting a horrific fire in Charleston, SC in 2007. This event is open to all, although will be limited based on availability at time of booking. Several fellow firefighters will be attending and supporting this worthwhile cause from various cities and states. For more information, please contact Jo Ann Fusco at NJFMBA Headquarters: 732-499-9250

A message from NJ State FMBA President - Bill Lavin Support a great cause and have a great time doing it! Firefighters, who are not strangers to helping those in need, are answering the call for our brothers in Charleston, South Carolina. A Myrtle Beach Golf and Fishing Holiday is planned for Nov. 12th through the 16th. And what a week it will be in this often referred to as " the Seaside Golf Capital of the World". We offer three different packages. Each package includes lodging from Wednesday through Sunday. This 4 night / 5 day stay will be at the renown OCEAN CREEK Plantation Resort with arrival on Nov.12th, 2008. We have various types of villa lodging to offer consisting of 1, 2, and 3 bedroom units , each with their occupancy requirements as shown in the Lodging section below. Units will be allocated and depleted from inventory based on reservation /payment arrival. So ... get your foursome together and register quickly.

The GOLF PACKAGE includes 4 days of golf on award winning championship courses consisting of the popular requested courses of: Arrowhead, Blackmoor, Myrtle Beach National South Creek and West course, Wild Wing Avocet, Prestwick CC, and Willbrook CC. We will assign courses according to availability, time preference (morning or afternoon), and group size. We will keep groups together wherever possible. If you are a real golf enthusiast, you may upgrade to our premium courses based on same basis for a surcharge between \$10 - \$50. We are pleased to offer the Best of the Best on nationally recognized, award winning courses; CALEDONIA, TRUE BLUE, KINGS North,

and BAREFOOT DYE..... SPACE is LIMITED, first come basis. The FISHERMAN Now, if golfing is not in your bag ... , we have a great schedule for fishermen as well. Everyone can catch a fish... right? we'll see how many and how big after three days of deep sea fishing. Two days of off shore charter boat fishing and another day fishing in the Gulf Stream. Imagine the excitement pulling in grouper, snapper, tuna, sharks and more. And I'm told the beer always tastes better in the salty ocean air.

Now, if golfing or fishing doesn't float your boat, we have a package just for you to come and be part of a worthwhile festive event this upcoming November 12-16th in MYRTLE BEACH, South Carolina. Help us to help them I hope your next call will be one that says, I'll be there !

Regards Bill Lavin
